### THROUGH E-MAIL

### FEE ORDER

**ORDER made in the matters of Adishwar College of Technology, Gandhinagar (11180) and 370 other institutions for determination of fee structure for the Academic Years 2017-2018, 2018-2019 & 2019-2020:**

1. In pursuance of the powers conferred upon it, the Fee Regulatory Committee ("the Committee" for short) which is constituted under the provisions of **The Gujarat Professional Technical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act, 2007 ("the Act" for short)** intimated all the institutions which are subject to the jurisdiction of the Committee, to submit their proposals for determining the fee structure for the block period of 3 years of 2017-18, 2018-19 and 2019-20 together with necessary data. The proposals were invited through online portal in prescribed format vide e-mail and SMS communication dated 07/03/2017. In response to that the institutions as listed in Appendix-I to this order submitted their proposals together with necessary information in prescribed format.
2. Since the determination of fee structure of institutions numbering over 600 was likely to consume time, the Committee with a view to facilitate the process of admission of students to such institutions, issued Circular No. FRC/FeeBlock\_2017-20/July-17/141 dated 5<sup>th</sup> July, 2017 and also other circulars subsequently directing the institutions to collect provisional fee for the year 2017-18 as prescribed by the Committee. The provisional fee of each institution was displayed on the website of the Committee. It was made very clear

46

that it was only by way of an interim measure subject to the final determination of the fee structures of these institutions. It was also made clear that if the final fee fixed by the Committee was more than the provisional fee, the institution would be entitled to collect the balance amount from the students and if the final fee was less than the provisional fee, then the institution would be required to refund the difference to the students.

3. The Committee, as a part of exercise of determining the Fee Structure and in consonance with the provisions of the Act resolved to carry out inspection of the infrastructure provided by the Institution to assess the quality thereof in accordance with the norms and qualitative parameters set by the Committee and for that purpose teams of experts were formed. The Committee duly authorized those teams of experts to visit each institution where inspection was required to be carried out and submit their reports to the Committee. The Committee named this program as **"KNOW YOUR COLLEGE" ("KYC" for short)**. The teams carried detailed inspection, prepared reports thereof and also furnished copies of the reports to the management of the concerned Institution. The teams submitted their reports to the Committee online and also hard copy thereof and the Committee in turn evaluated them and considered qualitative parameters as reflected from the report of the experts. Based on that it gave an appropriate merit percentage to the institution. This exercise has enabled the Committee to properly comply with the provisions of Section-11 of the Act. After due deliberation the Committee also decided to grant premium to the institution securing 60% and above and accordingly granted premium to such institutions subject to the recast of the cost per student for the year 2016-17.

It may be noted here that Association of Self Finance Colleges, Gujarat State vide its letter dated 10/01/2017 and Association of Gujarat Engineering & Technological Diploma Colleges vide its letter dated 21/03/2017 requested the committee to exclude from the KYC Program the institutions that had either proposed reduction **OR**

*[Handwritten signature]*

proposed no rise in the duly determined fee of the year 2016-17. The Committee after considering the request and having found that no useful purpose will be served by carrying out inspection of those institutions granted the request.

4. The Committee, including its designated Chartered Accountant Member and also a team of duly qualified Chartered Accountants commenced the detailed scrutiny of each proposal. It carried out necessary exercise by following the standard accountancy practice as also its consistent policy and methodology adopted which are evolved essentially keeping in view the provision of the Act to determine the fee structure, while doing so the Committee also kept in view the document published on the Committee's website on 04/04/2017 named as "Approach towards determination of the fee for the period three years from 2017-18". Over and above this, as part of this exercise the Committee worked out the cost per student for the year 2016-17, on the basis of the financial data re-cast by team of duly qualified Chartered Accountants.

After due scrutiny as stated above of the proposal submitted by the institution, the Committee arrived at the following findings:-

The first and foremost reason for rejection of the fee structure proposed by the institution is that the cost worked out by the institution per student is based on the actual number of the students admitted to the concerned program. This is not permissible because normally the cost should be distributed on the normative intake of the particular program. However, the Committee has not overlooked the present scenario that the actual admission of the students is quite less than the normative intake. The Committee has therefore evolved a via media to see that no injustice is done to the institution and therefore, it has worked out the average of normative intake and actual admission of the students for the particular program and has determined the cost per student accordingly. The result is that even after this exercise, the cost worked out by the

110

Committee per student is less than the cost worked out by the institution per student. Secondly, the committee has taken into account only the expenditures which are directly related to imparting education, whereas the institutions have submitted the audited accounts which also include the expenditures which are not directly related to imparting the education. This is not permissible. Thirdly, the Committee has also found that the proposals of the institutions were based on the projected expenditure. However, on the scrutiny of the data furnished by the institution in support of its proposal it transpired that though in the past projections were granted, the same were not fulfilled and the surplus was generated in the subsequent years. Therefore the Committee had a reason to draw adverse inference against the institution and consequently it disallowed the projections. Fourthly, the KYC Score of some of the institutions was not up to the mark. Lastly, the committee has also taken into consideration the element of general inflation for successive years and has given appropriate effect to it.

5. This exercise was carried out for all the institutions as listed in Appendix-I to this order. Accordingly, the Committee arrived at a tentative fee figure for such institutions which was to be finalized subject to the outcome of the personal hearing. The Committee by its letter dated 11/10/2017 intimated these institutions that their tentative fee can be viewed through their login ID or login ID of their sponsoring body on the Fee Committee portal. The Committee also informed the institutions by the said letter that their sponsoring bodies may opt for personal hearing if they were not satisfied with the tentative fee figure arrived at by the Committee. It was also clarified in it that if nothing was heard from any sponsoring body, it would be presumed that the tentative figure of fee was acceptable to it and the same shall be considered as its final fee structure.

6. Despite the above intimation for personal hearing, 371 institutions listed in Appendix-I to this order did not respond to it and therefore

the Committee presumed that tentative fee was acceptable to them and treated it as the final fee structure of these institutions.

7. In view of the above, the Committee has now determined the fee structures of the institutions listed in Appendix-I to this order for the block period of 3 years commencing from 2017-18, 2018-19 and 2019-20 which is subject to the following conditions:

(a) The fee structure determined by the Committee shall be binding for a period of three years. The fee so determined shall be applicable to the students admitted in that academic year and shall not be revised till the completion of his/her professional course in the same institution.

(b) As per section 11 (2) of the Act, the fees indicated in Appendix-I to this order, include all types and kinds of fees such as Tuition fees, Library fees, Laboratory fees, Computer Fees, Caution Money, Gymkhana, Internet, Sports and Recreation and Self/Personality Centers fee, University Affiliation fees (if any) and the like. As such the institution shall not collect any other fee from the students except the fees as mentioned in Appendix-I to this order.

8 The institution shall also comply with following additional conditions:

- a. If the final fee fixed by the committee is more than the provisional fee then the institution is entitled to collect the balance amount from the students and if the final fee is less than the provisional fee the institution shall refund the difference to the students.
- b. The institution shall not take fees for the full course at the time of admission. The fees shall be collected per semester or term of 6 (Six) months as the case may be.
- c. The institution shall not ask for any bank guarantee or security of any kind from students or their parents.

- d. The institution shall not compel any student to avail any facility including hostel and transport as a part of the condition for admission or its continuity till the end of the full tenure of the course.
- e. The institution shall notify the Fees on its Notice Board and also display copy of this order on its Mandatory Disclosure Link on its official website.
- f. Additional fees charged from the students admitted under the NRI Quota shall be credited to separate bank account and the same will be used only for the benefits of the students belonging to economically weaker class and/or for increasing infrastructure facilities. The institution shall also furnish all the information pertaining to the utilization of excess fees from the NRI category students in the information memorandum which may be submitted along with the fee proposal for next block of 3 years.
